Birtley Parkland Events

Wedding Receptions

*Birtley Parkland is the ideal summer venue for a marquee wedding reception
- the epitome of an English Country Wedding*

The 48 acre estate is set in a designated area of outstanding natural beauty, just 5 miles south of Guildford, with easy access from London and the A3, Birtley Parkland provides a superb location for your English Country Wedding. The glorious parkland includes woodland and a lake with a charming arched bridge - a popular and delightful setting for photographs. The eight acres of formal gardens include a Rose Garden, a Secret Garden and a long herbaceous walk.

The site can be styled to your own requirements and we are happy to work with your florist to produce flower tubs to link in with your colour scheme. For the evening we can hang lights in, or floodlight, the larger trees. We also suggest flaming torches around the lake.

The site can take a marquee that will seat 300 and we have capacity for up to 150 cars.

We only take up to 10 bookings per year to ensure that we can give you a very personal service.

The site is available from June to September inclusive.

The site hire is £2,500 (inclusive of VAT) and is fully inclusive of use of the loos adjacent to the site, mains electricity and water.

Please note for a Saturday wedding, this cost also includes set-up on Thursday & Friday and take-down on Sunday. An extra charge will be made for Monday takedown.
